

2020 Strolling with Angels 5k Presented By The SandAngel Foundation

May 9th, 2020

The Strolling With Angels 5K Event Information

The "Strolling With Angels 5k" is a fun-filled and non-competitive five kilometer (approximately 3.1 miles) walk. The walk is held at the beautiful Pine Hill Lakes Park in Mason, Ohio. Most of the walk is level and includes some great scenery.

Strolling with Angels is designed to be enjoyed by anyone, no matter your age. There are shortcuts available for those who do not feel like completing the entire route. Of course, runners are welcome to join the fun too although times are not kept. The entire course is paved and stroller friendly.

The walk \$25.00 registration includes a dri-fit tshirt, complimentary post walk lunch and one of a kind basket raffle tickets available for purchase.

All walk proceeds will support the Chris Back Memorial Scholarship Fund, which will be used to provide scholarships for four nursing students in need this year.

The Strolling With Angels 5K is back for 2020 to continue our enhanced mission!

The SandAngel Foundation is proud to announce that all proceeds from the 2020 SWA 5K will benefit the **Chris Back Memorial Scholarship Fund**. It is our pleasure to partner with the University of Cincinnati College of Nursing (where Chris, went to nursing school and worked for her entire nursing career) to offer scholarships for four nursing students in need for the 2020-2021 school year and beyond. We believe this is a great way to continue celebrating Chris's life, especially given her passion for nursing as well as her legacy of service to others.

We look forward to seeing you on May 9th, 2020 for the 7th Annual Strolling with Angels 5K
